Welcome to the Cabrillo Seahawks soccer program! The Cabrillo coaching staff is looking forward to helping players maintain a good balance between their academic and athletic endeavors so that success can be reached both on and off the field.

If you are an incoming freshman, once you are registered at Cabrillo College make sure to take the assessment test as soon as possible. Next, make an appointment with our Athletic Counselor Arturo Cantu to prepare your educational plan. You can reach him at (831) 479-6265 or e-mail him at arcantu@cabrillo.edu. Then, sign up for your Fall classes by mid-May. Classes fill up quickly, so don’t waste time - just get it done!

If you are a returner, you’ll need to have passed a minimum of 24 units (18 academic units) to be eligible to play your second season and you will still need to meet with our Athletic Counselor to review your educational plan.

Players interested in joining the MEN's team need to sign up for the following Fall classes:
- ATH 15D - 2 units   session # 77855
- ATH 10 - 1 unit   session # 76305
- CG 51 - 1 unit                  session # 76453

To be eligible to play intercollegiate soccer, you must stay enrolled in a minimum of 12 units, 9 of which must be academic units. So, in addition to the classes mentioned above, you will need to sign up for another 9 units.

Student-athletes must have a physical and be enrolled in the classes listed above before participating in practices/tryouts. NO PHYSICAL NO TRYOUTS NO EXCEPTIONS!

Physicals are held at the Santa Cruz Sports Medicine Center of Dominican Hospital. For information regarding the physicals, please visit the Cabrillo Athletics home page at http://www.cabrillo.edu/academics/athletics/index.html
You can also make your own arrangements to have it done before the first day of tryouts on August 15th.
Students will also need to bring the student-athlete pre-participation information packet below with all the information requested at the first training session on August 15th.

The following required forms can be downloaded from the Cabrillo Sports Medicine website at http://www.cabrillo.edu/academics/athletics/training/index.html
