

# Emergency Plan: Carl Connelly Stadium

## Football / Soccer Stadium EMS Route

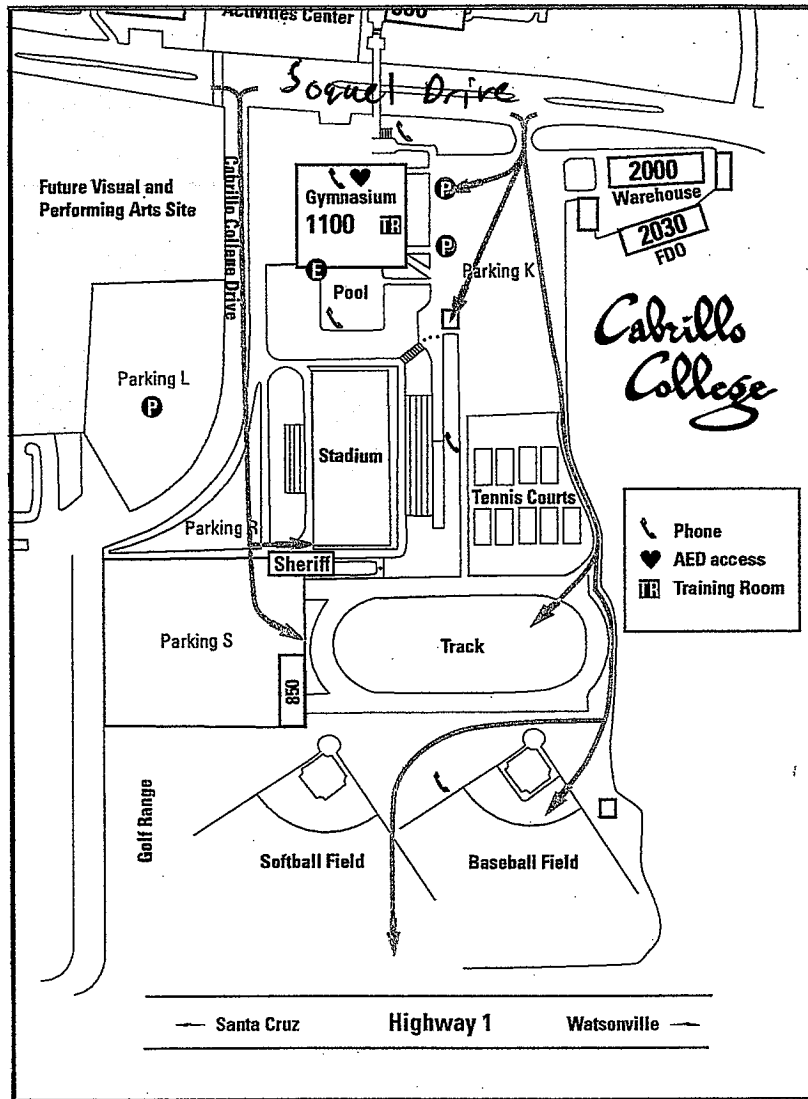

**Emergency Personnel:** Certified Athletic Trainers (ATC), Student Athletic Trainers (SAT). Team physicians and Paramedics and/or EMTs available during football games.

**Emergency Communication:** Land line phones are available in the coaches box above the home bleachers. Cellular phones are carried by the ATC's, and the SAT's on the field.

**Emergency Equipment:** Home sidelines: Splint bag containing vacuum splints, air splints, cardboard splints, cervical collars, and splinting materials. AED available with the On-Duty Sherriff. Medical cart available to transport injured athlete from field.

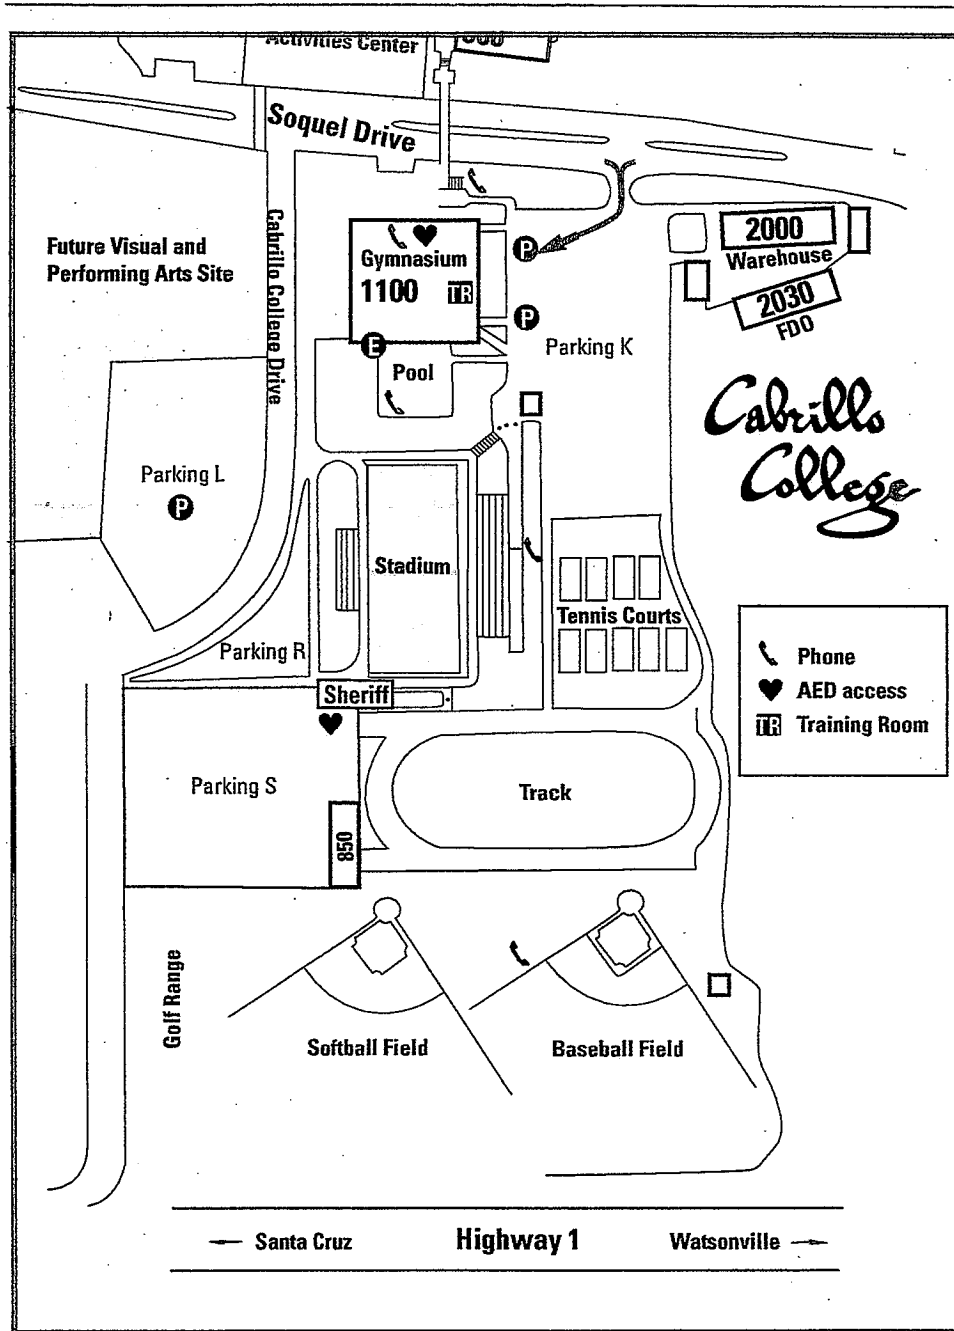

**Venue Directions:** Carl Connelly Stadium is located centrally on the ocean side of campus. There are two EMS access routes. Route 1: Off Cabrillo College Way (Cross Street Soquel Dr.). Used for on field injuries or visiting team bleacher injuries. Access through parking lot R (See Map). Route 2: Off Soquel Dr., access through parking lot K (See Map). Used for injuries in the home team bleachers or the press box. Vehicles are only allowed on the stadium field in critical emergencies, otherwise vehicles can enter and park through the emergency access gates.

# General Emergency Routes for EMS Vehicles and Access
