Repeatability Guidelines

Effective Fall 2013

• No course repeats except:
  o Necessary to Major Requirements of CSU or UC (like performance ensembles)
    ▪ The CSU/UC guidelines should say “must be enrolled in an ensemble every semester”
  o Intercollegiate Athletics
  o Intercollegiate academic or vocational competition (we don’t have this at Cabrillo)
  o Legally Mandated Training (legally mandated training requirements as a condition of paid or volunteered employment: i.e. CPR)

• Local college must identify courses that can be repeated and give rationale (above are the only rationale)

• Active Participatory courses
  o “Family” -- for KIN, visual arts or performing arts
  o Total of four in the family
    ▪ Example of “family” - golf
