Since the last Faculty Senate presentation, this has been to IC and Academic Council. Both bodies felt strongly that the distinction between the directives of the suggested model program and the use of assist.org should be stronger and more emphasized.

Statement for Degree Audit/ eAdvising:

An Associate Degree requires 60 units appropriate to your educational goal, to include general education and at least 18 units in a major. There are suggested model programs for your major available in the Cabrillo College Catalog which may or may not be appropriate depending on your specific goal. If your goal is transfer, select your courses instead according to the lower-division major preparation requirements at your intended transfer university – these specific course requirements can be found at www.assist.org for 4-year public institutions in California. Please see a counselor for advisement to ensure you are taking the best possible courses given your goal.

In starting to plan for this major, consider the following core courses which are commonly required by transfer institutions: <core courses>
