FS Goals for 2013-14

1. Staff Development – flex, evaluation, mentoring, peer observation
2. Encourage interdisciplinary efforts – between departments, between components
3. Continue developing a culture of student success

Student Success Ideas

1. Student cohorts, learning communities, pods, and disciplines
2. Interdisciplinary innovations
3. Support for conferences, faculty development, and sharing what’s learned; sharing teaching ideas
4. Explore Early Alert
5. Training for instructional staff on discipline-specific Counseling 101 – CTE, Basic Skills, and Transfer functions – while clarifying areas of Counseling expertise to encourage referrals. What should instructional faculty know about the student services component - registration, grades, degrees, certificates, withdrawal, etc. – that would help students more successfully navigate their way through community college?
