FS Goals for 2014-15:

1. Expand opportunities for faculty peer mentoring and peer observation through staff development.
2. Facilitate interdisciplinary knowledge and interactions among various programs and components of the college.
3. Develop strategies to encourage a culture of student success.

Agenda Item 5.5

1. An invitation from Kathie and me to PCs, Deans and interested faculty to review the process to develop program offerings in 2014-15 and beyond, and the rationale behind them, Sept. 9 or 23. “Demystifying the Scheduling Process.”

2. To give faculty a chance to offer suggestions for enhancing enrollments at the college...and to try to clarify mechanisms that will make sure that suggestions are considered and, if they are feasible, acted upon. Include marketing ideas.

3. To challenge the Senate to take a leading role in 2014-15 in helping the college to plan and implement the parts of the Strategic Plan that impact academics directly. (Esp. #2)
   a. Anticipate growth areas
   b. CTE responsive to job market
   c. Acceleration and other basic skills innovations
   d. Distance Education. Develop curriculum to fill gaps.
   e. Pathways – K-12 outreach, orientation and ed. planning, structure programs to maximize completion
