Calais Ingel has indicated that she will need to NOT assume any role on the Faculty Senate during the spring semester of 2015.

If the Faculty Senate approves the following scheme, it will be put on the ballot for approval or rejection by vote of the faculty during the regular at-large elections to be held at the end of the fall semester of 2014. This would mean that the bylaws governing the election of the President of the Faculty Senate would be temporarily suspended until regular elections are held in spring 2016.

- Michael Mangin would delay his resignation as FS President until the end of spring 2015.
- Robin McFarland would serve as FS Vice President for the spring 2015 semester.
- During the spring 2015 semester Calais Ingel will indicate if she wishes to assume the duties of FS President commencing in fall 2015. If she does so indicate, then she would become FS President and appoint a FS Vice President for the 2015-16 academic year, subject to FS confirmation.
- If Calais decides to not assume the duties as FS President for 2015-16, Robin McFarland would serve as FS President and appoint someone else as Vice President, subject to FS confirmation.
- In Spring 2016 an election will be held for FS President according to the bylaws.
