An agenda shall be posted adjacent to the place of meeting at least 72 hours prior to the meeting time for regular meetings. The agenda shall include a brief description of each item of business to be transacted or discussed at the meeting. If requested, the agenda shall be provided in appropriate alternative formats so as to be accessible to persons with a disability.

No business may be acted on or discussed which is not on the agenda, except when one or more of the following apply:

- A majority decides there is an “emergency situation” as defined for emergency meetings;
- Two-thirds of the members (or all members if less than two-thirds are present) determine there is a need for immediate action and the need to take action came to the attention of the Board subsequent to the agenda being posted;
- An item appeared on the agenda of and was continued from a meeting held not more than five days earlier.

The order of business may be changed by consent of the Board.

The Superintendent/President shall establish administrative procedures that provide for public access to agenda information and reasonable annual fees for the service.

Members of the public may place matters directly related to the business of the District on an agenda for a board meeting by submitting a written summary of the item to the Superintendent/President. The written summary must be signed by the initiator. The Board reserves the right to consider and take action in closed session on items submitted by members of the public as permitted or required by law.

Agendas shall be developed by the Superintendent/President in consultation with the Board President. A member of the Board may request that an item be placed on a Board agenda by discussing the item with the Board Chair who may place the item on the agenda as part of his/her responsibilities pursuant to BP 2210 titled Officers or request an agenda item as part of the board meeting response to “Agenda for Next or Future Board Meetings”. In the event that two or more Board members submit a request in writing to the Board Chair or two or more Board members agree at a board meeting that an item be placed on the agenda, that item shall be placed on the Board agenda. The item may be noticed for information, discussion, or action.

Inclusion of an item placed on the agenda in this manner does not confer upon the requestor the right to direct or require preparatory staff study, analysis, research, or review of material related to the item.

Any direction to staff to study or provide analysis, research, or review of background material may come only as the result of action approved by a majority of the Board to do so.
Chapter Two: Board of Trustees

Agenda items submitted by members of the public must be received by the office of the Superintendent/President two weeks prior to the regularly scheduled board meeting. Agenda items initiated by members of the public shall be placed on the Board’s agenda following the items of business initiated by the Board and by staff. Any agenda item submitted by a member of the public and heard at a public meeting cannot be resubmitted before the expiration of a 90 day period following the initial submission.
