Bid No. B14-06
Parking Lots I, J, K & N Pavement Repairs

Addendum No. 1

This Addendum No. 1 sets forth modifications to portions of the bid and contract documents for the above-referenced work described as:

B14-06 Parking Lots I, J, K & N Pavement Project
Tuesday, April 15, 2014

Clarification:

Request for Information, RFI’s, were due at 4:00PM on Friday, April 11, 2014. This was clarified at the Project Job Walk on Tuesday, April 8, 2014.

1) Legend on Sheet C1.2

The legend on sheet C1.2 has been revised from “NEW ASPHALT PAVEMENT SECTION, SEE DETAIL / SHEET_” to “INDICATES AREA TO BE SLURRY SEALED”. Please refer to the drawing included with this Addendum.

2) Section 32 01 13.61 – Slurry Seal, Part 2 – Products has been amended to read:

Asphalt pavement sealer shall be OverKote Asphalt Pavement Coating manufactured by Reed and Graham or approved equal. Application shall be per the Manufacturer’s Recommendations. Attention is directed to the need to apply crack filler to cracks greater than 1/8” to a maximum of 1/2” prior to applying the pavement coating.
LEGEND
