Cabrillo College Hosts Memorial Celebration of Kathryn McBride's Life
Sunday, April 22 at Cabrillo Horticulture Center, Rm 5005
2:00 – 4:00 PM

The late ceramics instructor and artist Kathryn McBride, who passed away in late February, will be remembered with a video tribute and a "memory sharing" open mic on Sunday, April 22 from 2:00 - 4:00 PM, at the Cabrillo Horticulture Center.

McBride, a beloved teacher and head of the ceramics department at Cabrillo, taught for over 20 years in the Bay Area. Her works are exhibited in museums and private collections across the country, including the Ferrin Gallery in Massachusetts, The Museum of Art History in Santa Cruz and the Cantor Arts Center at Stanford University. Her sculptural teapots can be found in several books including: *500 Teapots*, *500 Figures* and *Teapots Transformed*.

The Cabrillo Foundation has established two funds in honor of Kathryn McBride: The Kathryn McBride Cabrillo College Ceramics Program Fund (to support the ceramics instructional program at Cabrillo College) and The Kathryn McBride Scholarship Fund (to fund art scholarships for Cabrillo College students).

If you would like to support the memorial funds, donations can be made to the Cabrillo College Foundation. Please indicate on the check memo line either "McBride Scholarship Fund," or "McBride Ceramics Program Fund," and mail to: Cabrillo College Foundation, 6500 Soquel Drive, Aptos, CA 95003.
