For Immediate Release

Cabrillo College Receives Reaffirmation of Accreditation

APTOS, CA — Cabrillo College today announces that the Accrediting Commission for Community and Junior Colleges (ACCJC), Western Association of Schools and Colleges (WASC) has taken action to reaffirm the accreditation of Cabrillo College. According to a letter received by the ACCJC, “Reaffirmation is granted when the institution substantially meets or exceeds the Eligibility Requirements, Accreditation Standards and Commission policies.”

The reaccreditation process takes place on a six-year cycle. In addition to establishing metrics and meeting milestones along the way, as part of this process Cabrillo College administrators, faculty and staff conducted and published a comprehensive Institutional Self-Evaluation. The reaccreditation cycle culminated with an accrediting team of community college peer administrators making a site visit to the College in mid-October, during which the accrediting team met with more than 200 members of the Cabrillo College community, including students.

“We are thrilled to receive this validation that Cabrillo continues to be a higher education institution of excellence that provides a wonderful service to our students and our community,” said Laurel Jones, president and superintendent of Cabrillo College. “Throughout the reaccreditation process it was apparent that the Cabrillo College community that includes students, faculty, classified staff and administration is deeply committed to student success.”

In the reaccreditation report, Cabrillo College received a record eight commendations for areas of excellence. The report also included four recommendations for work the college is currently conducting to continue and expand excellent practices. The recommendations will require responses in the College’s midterm report, due in October, 2016.

Cabrillo College’s Institutional Self Evaluation Report, the External Evaluation Team Report, and the ACCJC’s action letter are available for viewing on the Cabrillo College website at www.cabrillo.edu.

About Cabrillo College
Cabrillo College is a leading California community college serving Santa Cruz County with locations in Aptos, Scotts Valley and Watsonville. It is ranked #1 in transfers to UC Santa Cruz. Founded in 1959, the college offers over 100 academic and career technical education programs that serve multiple educational goals such as A.A. and A.S. degrees, certificates of achievement, skills certificates, transfer to 4-year institutions or for lifelong learning and personal enrichment. Cabrillo College is a dynamic, diverse and responsive educational community that is dedicated to helping all students achieve their academic, career, and personal development goals.
