

## DIGITAL MEDIA

---

### **Puzzling over which courses to take first?**

#### **General Orientation for Digital Media, Art Photography, and Art Studio**

—**Tuesday, August 22, 2017, 6:00PM-6:30PM, Room VAPA2022**

Digital Media (DM) will join Art Photography (AP) and Art Studio (ART) for an overview of programs, degrees, certificates, and introductory courses prior to meeting separately with prospective Digital Media students at 7:00PM.

Orientation includes information about individual courses, Digital Publishing and Web Media Associates Degrees, Digital Publishing, Web Media, Web Design, and Web Development Certificates of Achievement, and Skills Certificates in Animation, Cinema Arts, Graphic Imaging, Motion Graphics, Motion Media, Publication Design, Web Production, and Website Design.

Faculty will be available to review the Schedule of Classes and advise students about specific courses.

Additional considerations for the Digital Media programs:

- DM1 is the foundation course for all Digital Media courses.
- Digital Media courses are taught on Macintosh, adaptable to Windows.
- CS1 and CS 1L are recommended for exploring various areas in the computer technology field and learning basic computer proficiency.
