## Who May Enroll

Cabrillo College is open to anyone 18 years of age or older, or anyone with a high school diploma or proficiency certificate. High school students also may attend classes at Cabrillo on a limited basis with the permission of their high school principals.

## Nondiscrimination Policy

Cabrillo Community College does not discriminate on the basis of ethnic group identification, national origin, religion, age, sex, race, color, physical or mental disability, or sexual orientation in any of its policies, procedures, or practices. This nondiscrimination policy covers admission and access to, and treatment and employment in, the college’s programs and activities, including vocational education programs. Limited English language skills will not be a barrier to admission to and participation in vocational education programs.

## Plan De Acción No Discriminatoria

Cabrillo Community College no discrimina a base de identificación con grupos étnicos, nacionalidad de origen, religión, edad, sexo, raza, color, incapacidad mental o física ni orientación sexual en ninguna de sus reglamentaciones, procedimientos o prácticas. Este plan de acción no discriminatoria incluye la admisión y el acceso a los programas y actividades, y el tratamiento y el empleo en los mismos, incluyendo la educación vocacional. Tener limitadas destrezas en el idioma inglés no constituirá una barrera para ser admitido o participar en los programas de educación vocacional.

# Learning Communities

## Learning Community Mission

- Build relationships
- Enhance academic skills
- Be successful in college courses
- Reach career and/or transfer goals

*“The biggest change I noticed in myself is that I’m now having meaningful conversations. Now it is easy for me to set the tone of a conversation and take it to a deeper level.” —Dahlia*

## What is a LEARNING COMMUNITY?

A Learning community is a fun, exciting, and supportive learning environment where students:

- Take a combination of classes that focuses on a special “theme”
- Build friendships
- Work closely in teams and operate as a tight-knit “cohort” group
- Interact with supportive students and faculty
- Learn college/academic survival skills

## Why should I BECOME PART OF ONE?

Research shows that most students who participate in a Learning Community:

- Pass their courses
- Have better long-term success
- Take more college credits overall
- Earn higher GPAs
- Accomplish their career and/or transfer goals
- Develop lasting friendships and bonds

## Students say...

*"This learning environment helped create a special bond between the students in my cohort. And the bond I felt with my classmates was crucial for building my confidence. Having supportive classmates and teachers gave me the strength to succeed. I just started my third twelve-unit semester at Cabrillo College and I have been getting all A's."* —Robert

*"Everything we learned about listening and communication is very important to help us succeed in life. Recognizing my learning styles has let me find out who I am and how I learn best. Being able to find yourself again is a good feeling."* —Maura
