CUNY – City University of New York

We are establishing an Agreement (February, 2011) with CUNY for an on-line degree program for Cabrillo students. They are accredited by the Commission on Higher Education of the Middle States Associations of Colleges and Schools since 1961; last reaffirmed in 2000.

Two majors: Business or Communication and Culture

They will give our students IN-STATE TUITION - $2,415 per semester for FT (12 units is FT) (nominal - 2-3% increase expected for Fall, 2011)

Rolling admission – Summer session begins 6/2

They will accept 90 semester units from our students for:

Business Degree: - G.E., 12 units of business courses (specified), of the 30 required plus (+) general electives

Communication and Culture Degree: - GE, general electives (all courses in concentration must be completed through CUNY)

Counseling begins immediately when they apply on-line

Seem very generous in their evaluations.

Need two math courses.
