

Cabrillo College **MATH MAP**

Anthropology,* Communication Studies,* Criminal Justice,*
Political Science,* Geography,* Sociology* (we offer ADT degrees
in all of these majors)

**The Associate Degree for Transfer (ADT) (AA-T or AS-T) is a unique degree offered at California Community Colleges that provides certain advantages for transfer into the CSU system. Meet with a counselor to discuss whether this degree is appropriate to your educational goal. We offer AA-T or AS-T degrees in the asterisked majors listed.*

*Optional and strongly recommended
for students who did NOT pass
Intermediate Algebra or
Common Core Math III in high school.*

Optional prep BEFORE Math 12:

MATH 112
Pre-Statistics

5 units

MATH 12
Elementary Statistics

5 units

with optional:

MATH 101
Support for Statistics

0.5 units

Students take Math 12 with an optional co-requisite of Math 101 (for extra support).

The math pathways presented are recommendations. In the case of some majors, other math options are available. For transfer students, math courses should be selected based on the lower-division major preparation requirements at the intended transfer university. Those specific requirements can be found at www.assist.org for 4-year public institutions in California. Please see a counselor for advisement to ensure you are taking the best possible courses given your goal.
