

Cabrillo College **MATH MAP**

Astronomy, Biology,* Chemistry, Computer Science, Engineering, General Science, Geology,* Math,* Physics*

**The Associate Degree for Transfer (ADT) (AA-T or AS-T) is a unique degree offered at California Community Colleges that provides certain advantages for transfer into the CSU system. Meet with a counselor to discuss whether this degree is appropriate to your educational goal. We offer AA-T or AS-T degrees in the asterisked majors listed.*

Optional and strongly recommended for students who did NOT pass Intermediate Algebra or Common Core Math III in high school.

MATH 152
Intermediate Algebra
5 units

MATH 4
Precalculus
5 units

with optional:

MATH 103
Support for
Precalculus
0.5 units

MATH 5A
Analytic
Geometry &
Calculus I
5 units

MATH 5B
Analytic
Geometry &
Calculus II
5 units

*Additional
math based
on specific
major*

- Each major listed will likely have math requirements beyond Math 5A and 5B.

The math pathways presented are recommendations. In the case of some majors, other math options are available. For transfer students, math courses should be selected based on the lower-division major preparation requirements at the intended transfer university. Those specific requirements can be found at www.assist.org for 4-year public institutions in California. Please see a counselor for advisement to ensure you are taking the best possible courses given your goal.
