

Cabrillo Extension: Learn to Sew Workshop**Instructor: Kiki Barrett**

Dear Students,

We will begin our weekend by learning how to use a sewing machine, including threading, filling a bobbin and changing a needle. Once comfortable with using a machine we will explore the basics of sewing while creating 3 fun projects, a heatable bag, an infinity scarf and a tote bag. The materials fee will cover the rice for the bags, sewing machine needles and the tote bag pattern. However, please bring the following supplies to class with you.

Heating Bag:

-1/3 yard woven cotton fabric

-matching thread

Infinity Scarf:

-2/3 yard knit fabric (preferably 54" wide or wider)

-matching thread

Tote Bag:

-2/3 yd woven fabric for outer bag (cotton, lightweight canvas)

-2/3 yard woven cotton fabric for lining

-1/2 yard cotton batting

-2 yards webbing for straps

-matching thread

Basic Sewing Supplies:

-scissors

-pins

-fabric marking tool

-measuring tape

Thanks, **Kiki**
