

Cabrillo Extension

Chi Aura Integration—Level One

Welcome to Chi-Aura Integration Level One!

We are looking forward to your enthusiastic participation in this course designed to provide you with tools for personal growth, as well as give you excellent techniques for working with patients.

Visit www.chiaura.com, go to the English site; click on CEU's; click on nurses or acupuncturists, and the manual is there to be downloaded along with the course description etc.

Familiarize yourself with the material by reading the manual before class begins, and bring it with you along with pens, and a notebook to record class material not included in the manual.

Please bring food for lunch so you don't have to take extra time by going off campus. There are 18 CEU's for Nurses from the State Board of Registered Nurses, 15 CEU's from the State Acupuncture Board, and 14 from the NCCAOM.

At least one massage table will be provided during class, although most of the techniques will be taught so you can treat patients while sitting in a chair. If you feel more comfortable bringing your own sheets and a blanket when it is your turn to be on the table, please do so.

Most importantly, come prepared to have FUN while learning these important skills!

Thank you,

Master Timothy Dunphy
