

Dear Students,

It is very important that you come to class with your foam box cushion, supplies, and the fabric you have chosen to work with. Information about all required supplies and materials is below.

Foam:

The following supplier for foam is the one I recommend. You will need to order your foam box cushion at least two week prior to class to allow for shipping from the company in Michigan. **You need to order the following: 3"x 12"x 12" HD36 foam regular foam cushion.** The company is The Foam Factory and the web site is: <http://www.thefoamfactory.com>. The total cost for the cushion and shipping is approximately \$24.

Materials Needed:

- 1 yard of fabric or muslin
- 3 yards of cording for piping 1/4" -3/8 " around
- One 18"-20" long zipper
- Matching thread
- Scissors
- Pins
- Chalk or marking pen
- Tape measure

Other Supplies:

Our classroom is a great space to create and sew, with Bernina sewing machines, large cutting tables, ironing boards and irons, as well as some basic sewing supplies. You may bring your sewing machine if you are very comfortable using your own, but Bernina machines are provided.

If you have any questions, please contact the Extension office at 831-479-6331 or extension@cabrillo.edu.

Thanks!

-Jenny
