

Tools and Materials for “SoulCollage®” - What to Bring

Dear Workshop Participant,

- Please bring cash or a check for \$20 dollars for class material fees. We will give you the name of the person to make the check out to when you arrive.
- There is no food service on campus so please bring a brown bag lunch.
- Please bring a journal, notebook, or writing pad for taking notes.
- The weather may be unpredictable and the room temperature is sometimes hard to regulate, so we recommend you dress in layers.
- We will have many magazines on hand, but if you choose to, you can also bring in magazines for yourself or to share. Good sources of images include nature magazines, and specifically magazines such as National Geographic or Smithsonian. Some local libraries (and Craig’s list on occasion) can be good sources of free magazines.
- If you have taken a SoulCollage® class before or are attending an ‘advanced’ class, please bring your deck of SoulCollage® cards. All are welcome to attend this class whether you have any experience with the process or not. Beginners are welcome and experienced students will have the opportunity to deepen their work.

If you are already familiar with the method you know you are in for a treat. If you are new to it you may like to visit the website www.SoulCollage.com for more details.

We look forward to seeing you in class!
