

Dear Students,

I hope you're looking forward to our upcoming workshop making mosaic bird baths at Cabrillo College. While I will have lots of materials to work with, you're welcome to bring any materials of your own. For bases, we will use repurposed satellite dishes or terracotta plant trays, on which we will design our mosaic.

If you have any mosaic surface materials you'd like to use or share - dishes, pottery, ceramic, glass-- feel free to bring them along. If you have a specific project in mind, bring your ideas. If not, that's fine, you'll have plenty of options to explore in class. You might want to wear clothes that can get a little mucky or bring a smock or apron.

While birdbath stands will **not** be provided, options for how to use stands, posts, or other outdoor displays will be discussed in class.

If you have any questions, feel free to contact Cabrillo Extension at 831-479-6331 or email them at extension@cabrillo.edu. Looking forward to seeing you in class!
