Cabrillo College Extension Youth Programs

Student Code of Conduct/Behavior Agreement

Extension Youth Program camps and classes are taught by a single instructor. In order to provide a positive and meaningful experience and a safe environment for all students, we require that all students have self-discipline. Students must be able to follow instruction given by one instructor in a classroom environment, must be able to manage their own behavior in a group setting, work independently, and perform tasks in class. Students must be able to function in a group environment without disruption of other student's learning.

Discipline plays an important role in helping children develop socially, emotionally, and physically, and is also vital for student safety. Students are expected to follow this code of conduct and behavior agreement at all times. If behavioral problems persist, parents will be contacted to discuss the situation. If a child's behavior is unsafe or harmful to themselves or others, parents will be notified to pick up their child. Disruptive behavior will result in student being withdrawn from class. Recurrent behavioral problems may result in permanent suspension from the program without a refund.

- Students are expected to adhere to the highest standards of good citizenship, honesty, and integrity.
- Students are expected to show courtesy and respect for their fellow students, for Cabrillo personnel, and for campus visitors.
- Students shall not take part in or facilitate discrimination of any kind, including, but not limited to, discrimination based on gender, race, national origin, ethnicity, age, religion, sexual orientation, disability, handicap, or intelligence.
- Students are expected to show respect for and take reasonable care of campus property, equipment and furnishings.
- Students are expected to respect the belongings of their fellow students. They shall not borrow, use, or disturb items belonging to other students or camp staff without clear prior permission.
- Students shall not use, possess, or distribute weapons, alcohol, tobacco, or drugs, with the exception of prescription and over-the-counter medications approved for use by the participant's parent or guardian. Participation in an incident involving weapons, alcohol, tobacco, or drugs is cause for immediate dismissal.
- Students are expected to follow the instructions of the camp counselors, instructional staff, and other campus personnel.
- Students shall not commit acts of violence on persons or property, nor shall they threaten to commit any act of violence.
- Students shall not engage in any form of harassment or bullying. Harassment consists of conduct of any type (including but not limited to written, verbal, graphic or physical conduct) which has the purpose or effect of interfering with an individual's academic or work performance or which creates an intimidating, hostile, or offensive learning environment.
- Students shall uphold high standards of integrity through honesty, trust, fairness and responsibility. Students are expected to demonstrate a spirit of cooperation and exploration within the guidelines provided by their instructors, and to meet the intellectual challenges of the program through honest effort and hard work.

By signing this agreement I agree to these standards and have reviewed them with my child.
