Refund Policy

There's no fine print in our refund policy. Cabrillo Extension will process your request for refunds if it is received at least five (5) business days prior to the class start date of the class (unless otherwise noted). We cannot accept requests for refunds, regardless of the reason, if they are received fewer than five (5) business days prior to the class start date. There is a 10% service fee on refunds, regardless of the reason, subject to a \$5 minimum charge.

If a student is unable to attend a class, they may be able send someone in their place, but that arrangement must be discussed with the Extension Office prior to the class start and may be subject to age limits, release forms or other requirements.

Please do not e-mail us your refund request. Call the Extension Office at 831-479-6331.

Different refund policies apply to Cabrillo for Youth and Motorcycle Safety Classes.
