Office of Student Affairs Dean of Student Services

August 11, 2009

Dear Prospective Student,

Enclosed you will find information outlining Cabrillo's housing partnership with UC Santa Cruz, University Inn. Please note, in order to participate in the Cabrillo/UCSC Housing Partnership, all students must meet the following eligibility requirements:

- ☞ Have a cumulative GPA of 2.5 at your current academic institution
- ☞ Be in "good judicial standing" at your current academic institution
- ☞ Be registered for 12 units at Cabrillo College.

After you register for classes, complete and return the enclosed forms to me. I will then process and forward to UCSC Housing. You will be contacted by UCSC Housing to let you know your housing status.

As space at the University Inn is limited, I strongly encourage you to visit our housing website: <http://www.cabrillo.edu/services/housing/index.html>. It's updated on a daily basis with local listings for rooms, apartments and houses for rent.

If you have any questions please don't hesitate to email: anfinke@cabrillo.edu or call, 831.477.3584. Best of luck in your educational endeavors.

Sincerely,

Anya Finke
