experience in the practice of emergency medicine or pre-hospital care in the last six years. Applicants must be currently certified as a Paramedic, Registered Nurse, or higher medical authority in the State of California. Prior teaching experience is desired with the ability to incorporate a learning management system (Blackboard 9.1) into the course. Cabrillo College provides certification as a National Registry EMT and all course work is conducted under the National Registry guidelines and regulations, and American Heart Association CPR courses for the First Responder.

Spring 2014

Fall 2014

HORT 1A: Basic Horticulture. This is a transfer level course in plant sciences as they relate to the horticulture industries. This class has one section of lecture and two sections of laboratory: Monday 6:00 – 9:00 p.m. for lectures; lab sections are Wednesday 1:00 – 4:00 p.m. and Saturday 9:00a.m. – 12:00 p.m.

Candidate will be a well-rounded horticulturalist with a strong background in plant biology, with a focus on plant anatomy, taxonomy, nomenclature, physiology and ecology as they relate to landscape horticulture, organic agriculture and controlled environment agriculture.

HORT 2: Soil Science and Management. This is a transfer level course in soil science and soil management. Class is scheduled Tuesday -Thursday 9:30 – 10:50 a.m. for lectures and Thursday 12:00 to 3:00pm for lab.

Candidate should have course work at the college level in soils and practical experience with field soils, organic management of soils and artificial media used in container production.
Spring 2014:
Journalism 20A: Introduction to Photojournalism
Journalism 35: Writing for the Broadcast Media

Summer 2014

Required qualifications:
1. Meet state minimum qualifications OR equivalent OR possess a lifetime California Community College Disabled Students Program and Services credential with learning disabilities specialization. (Minimum qualifications can be obtained from the California Community College Chancellor's Office:

   **State Minimum Qualifications:** Master’s degree, or equivalent foreign degree, in the category of disability, special education, education, psychology, educational psychology, or rehabilitation counseling and fifteen semester units of upper division or graduate study in the area of learning disabilities or the equivalent.

2. Completion of or eligibility to enroll in a California Community College Chancellor’s Office training workshop for learning disabilities assessment (LDESM).

3. Ability to administer and interpret diagnostic tests, plus familiarity with their computerized scoring programs.

4. Familiarity with the variety of problems involved in working with adult students with LD, ADHD, and other disabilities.

5. Ability to administer and interpret achievement and cognitive tests, including the WAIS IV, the WIAT II and III, and the WJ III.

6. Familiarity with appropriate software and other technology, so recommendations can be made to assist students with their learning problems.

Desirable:
1. Bilingual in Spanish and English
2. Recent, successful experience providing service as a counselor at the lower division level.
3. Experience with or willingness to explore innovative teaching methodologies in addition to lecture mode.
* Mathematics  
  Spring 2014; establishing an eligibility pool for Fall 2014 and Spring 2015

* Sociology  
  Spring 2014
