Fall 2014

Possible courses to be taught include viticulture, viniculture, wine marketing and tasting room management.

Spring 2014

Dental Hygiene Supervising Dentist

Required Qualifications:
1. Meet state minimum qualifications OR equivalent OR a lifetime California Community College Instructor credential in Health and Physical Care Services and Related Technologies. (Minimum qualifications can be obtained from the California Community College Chancellor's Office.)
2. Current California Dental License.
3. Knowledge of and commitment to teaching strategies and methods, which enhance student success at community colleges.
4. Effective oral and written communication skills.
5. Demonstrated ability to teach the courses or perform the duties effectively as described above (a teaching demonstration may be part of the interview).
6. Ability to communicate well with students of diverse academic, ethnic, socioeconomic, and cultural backgrounds, including students with disabilities.
7. Ability to work cooperatively with others.
8. Experience with Dentrix and a paperless office

Desirable:
1. Experience in a general or periodontal practice of dentistry.
2. Experience evaluating dental hygiene performance in private practice.
3. Experience as a faculty member of a dental hygiene program or dental school.
4. Three or more years of recent dental clinical experience.
5. Experience with digital radiographs

Please include a copy of current DDS license and CPR certification with your application materials.
Applications must have a Bachelor's degree with at least two (2) years of experience in the practice of emergency medicine or pre-hospital care in the last five years, or an AA degree and six (6) years of experience in the practice of emergency medicine or pre-hospital care in the last six years. Applicants must be currently certified as a Paramedic, Registered Nurse, or higher medical authority in the State of California. Prior teaching experience is desired with the ability to incorporate a learning management system (Blackboard 9.1) into the course. Cabrillo College provides certification as a National Registry EMT and all course work is conducted under the National Registry guidelines and regulations, and American Heart Association CPR courses for the First Responder.

**Fall 2014**

**HORT 1A: Basic Horticulture.** This is a transfer level course in plant sciences as they relate to the horticulture industries. This class has one section of lecture and two sections of laboratory: Monday 6:00 – 9:00 p.m. for lectures; lab sections are Wednesday 1:00 – 4:00 p.m. and Saturday 9:00 a.m. – 12:00 p.m.

Candidate will be a well-rounded horticulturalist with a strong background in plant biology, with a focus on plant anatomy, taxonomy, nomenclature, physiology and ecology as they relate to landscape horticulture, organic agriculture and controlled environment agriculture.

**HORT 2: Soil Science and Management.** This is a transfer level course in soil science and soil management. Class is scheduled Tuesday - Thursday 9:30 – 10:50 a.m. for lectures and Thursday 12:00 to 3:00 p.m. for lab.
Candidate should have course work at the college level in soils and practical experience with field soils, organic management of soils and artificial media used in container production.

Journalism 35: Writing for the Broadcast Media

Establishing an eligibility pool for possible Summer 2014, Fall 2014 and Spring 2015 assignments

Required qualifications:
1. Meet state minimum qualifications OR equivalent OR possess a lifetime California Community College Disabled Students Program and Services credential with learning disabilities specialization. (Minimum qualifications can be obtained from the California Community College Chancellor's Office:

State Minimum Qualifications: Master’s degree, or equivalent foreign degree, in the category of disability, special education, education, psychology, educational psychology, or rehabilitation counseling and fifteen semester units of upper division or graduate study in the area of learning disabilities or the equivalent.)

2. Completion of or eligibility to enroll in a California Community College Chancellor’s Office training workshop for learning disabilities assessment (LDESM).

3. Ability to administer and interpret diagnostic tests, plus familiarity with their computerized scoring programs.

4. Familiarity with the variety of problems involved in working with adult students with LD, ADHD, and other disabilities.

5. Ability to administer and interpret achievement and cognitive tests, including the WAIS IV, the WIAT II and III, and the WJ III.

6. Familiarity with appropriate software and other technology, so recommendations can be made to assist students with their learning problems.
Desirable:
1. Bilingual in Spanish and English
2. Recent, successful experience providing service as a counselor at the lower division level.
3. Experience with or willingness to explore innovative teaching methodologies in addition to lecture mode.
