Event Title: Capitola Joins Plastic Bag Ban  
Event Date: **April 10, 2013**  
Time: NA  
Location: City of Capitola

Description of Event: On April 10, 2013, Capitola will join the County of Santa Cruz (the jurisdiction in which Cabrillo College resides) and the Cities of Santa Cruz, Watsonville, Monterey and Carmel when its **plastic bag ban goes into effect**. The City Council voted unanimously in January, 2013 to ban point-of-sale plastic bags at all retail businesses and initiate a 25-cent charge for carryout paper bags as well. **Shoppers are encouraged to bring sturdy reusable bags to carry their purchases.** As reported in Capitola’s Winter 2013 newsletter, “As a coastal city, Capitola has a strong interest in protecting the marine environment. Plastic bags that find their way into the Monterey Bay Marine Sanctuary essentially remain there indefinitely since most plastic bags do not biodegrade. The new ordinance will significantly reduce the amount of plastic bag litter and, in turn, will keep our beaches, land, and creeks cleaner.”

Event Title: The Seventh Annual Social Justice Conference
Event Date: April 20, 2013
Time: 9am - 3pm (Main Program); 3-5pm (Pending Post-Conference Activity)
Locations: 
Forum 450 (Open/Closing Ceremonies); 300 Building (Breakout Sessions);
Room 322 (Journal Reception/Luncheon); Quad (Community Fair)
Near 1000 Building (Breakfast/lunch); Cafeteria (Post-conference dance; pending)

Description of Event: Cabrillo College’s Seventh Annual Social Justice Conference is here! The conference will be filled with many meaningful activities such as opening blessing, keynote speech, presentations, journal reception, performances, awards, raffle, and even a dance (pending). Please read a recent interview by Faculty Voice, and preview the Conference Program on our website. (See links below.)

-We ask you to encourage and allow your students to participate to earn extra or make-up credits. Although on-site registration is available, we beg everyone to pre-register online at least two days ago, so that our food service team can prepare enough food yet avoid waste. A representative/instructor may register for a group, and indicate how many will attend.
-We invite you and your students/friends/family to join a luncheon/reception for our Social Justice Journal. This is a new addition to the conference, and a great opportunity for inspiration and networking.
-We appreciate you to spread the words out to recruit community organizations to join our Community Fair.
We also hope you to solicit gifts and gift certificates, and/or donate new books (especially you authored) or other new items that you think students may like for our end-of-conference raffle. We will give you a Thank-you letter that you may claim tax-benefit if applicable.

We need one or two faculty/staff member(s) to handle Forum 450 equipments. We have a small budget set aside for 450 Forum personnel expenses following past years’ practice.

You may simply bring yourself. Join a part of or the whole conference. It is a unique opportunity to get together and exchange perspectives. Please come!

Event Title: Samper 4th Grade Experience  
Event Date: **May 17th, 2013**  
Time: 8:30-1:30  
Location: Aptos Campus  
Description of Event:  
**Volunteers needed!**  
On Friday, May 17th, Cabrillo College is hosting the second annual S4C Samper 4th Grade Experience. Last year was such a success and could not have been done without all the amazing faculty, staff and students who volunteered their time. This event was truly inspirational to the students who attended. Not only have there been some great stories, photos and video but I still see kids in their "Future College Graduate" t-shirts. The event is designed to excite 4th grade students about attending college, and we did it. Please help us do it again for the next group of 4th graders!  

**There are several ways to volunteer.**  

Classroom Experience: We highly encourage you to volunteer to lead a classroom experience and share your knowledge with these young minds. If you choose to lead an experience, there are two sessions each 45 minutes.  

Group leader: Lead students to their presentation and show them what college has to offer. They are so excited just to walk around the campus.  

General help: Join us to hand out t-shirts, check in groups, there is plenty to do and we can use all the help we can get, plus it will be fun.

Event Title: ACE Experiential Learning Institute (FELI)  
Event Date: **June 17-21, 2013**  
Time: 8:30-5:30 each day. Participants must attend each day in full.  
Location: Cabrillo College (rooms 322, 506, 512 and 401)  

Description of Event:  
ACE’s Five-day Experiential Learning Institute (FELI) is a transformative professional development opportunity for community college faculty, administrators and staff. The dynamic exercises presented during the FELI draw on core ACE curriculum around communication, working styles and leadership techniques. Because of the experiential nature of the program, participants stay fully engaged throughout the day, allowing for learning and growth in unexpected ways. FELI curriculum supports and inspires participants to empathize and relate differently to the students they serve. A majority of participants report that they experience significant renewal and inspiration upon completion of a FELI. After completion of the Institute, participants receive a guidebook to support integration of the FELI experience into all of their classes.  

**Special discounts available for Cabrillo College participants - please contact Beth Nelson beth@my-ace.org for more information.**
