Event Title: Cabrillo Stage Collection Added to the Cabrillo College Archives  
Date: n/a  
Time: n/a  
Location: n/a  

Description of Event:

The Library is proud to announce the addition of the Cabrillo Stage Collection to the Cabrillo College Archives. The collection includes photographs, press releases, programs, and production materials from every Cabrillo Stage production from Chicago in 1981 to Annie Get Your Gun and The Fantasticks in 2005. We look forward to maintaining and growing this collection as Cabrillo Stage continues to delight our community with their outstanding productions!  

The Cabrillo College Archives, guided by board policy, collects and preserves materials about the college and its history which directly relate to the college and have long-term or enduring value. The Archives serves as an information source for students, faculty, staff, and administration, as well as for the general public. Those wishing to access materials in the archives can speak to a librarian.
We also maintain the Cabrillo College Digital Archives; a collection of over 300 photographs and portraits, hundreds of newspaper clippings, several early yearbooks, staff directories, and many other items: [http://www.cabrillo.edu/services/library/services/digitalarchives.html](http://www.cabrillo.edu/services/library/services/digitalarchives.html).
