Cabrillo hosts veterans’ workshops

Cabrillo College Theatre Arts is hosting a series of workshops by London-based Theatre Companies Theatre Témoin and Grafted Cede Theatre.

The workshops for military veterans are part of the companies’ California theater tour of the piece, “Nobody’s Home,” which is an exploration of post-war trauma and the soldier’s journey home through a modern retelling of “The Odyssey.”

Participants will work toward creating their own short pieces of devised theater or theatrical storytelling and receive complimentary tickets to “Nobody’s Home.”

The workshops will be Oct. 30, Nov. 6 and Nov. 13 from 1-4 p.m. at the Cabrillo Crocker Theater Acting Studio on the Aptos campus. For information, call 425-9378 or visit www.theatretemoin.com.
