► EVENING OF WORLD THEATRE AND DANCE

Paying homage to a Japanese tradition that believes Taiko drums can expel evil, a rumbling of spirited vibrations will shake up Cabrillo College's Crocker Theater on Saturday, Feb. 26.

Watsonville Taiko drummers will take center stage at the fourth annual Evening of World Theatre and Dance,

where a combo of the Watsonville Taiko Community Performing Group and Shinsho-Mugen Daiko will perform a dramatic fusion of rhythm, folklore and ancient mythology. | **ES**
