Don't miss Cabrillo Stage

We want to congratulate Cabrillo Stage on 30 years of outstanding performances. If you have not seen this year's production of "The Full Monty," you are really missing a wonderful evening of laughter and great music. We attended on Saturday night and the audience awarded the performance with a much-deserved standing ovation. The Crocker Theater is a perfect place to view the play and the actors who are world class. Don't let this season go by without attending at least one of the many different plays. With budget cuts, Cabrillo Stage depends on each and every one of us to keep the curtains up on this jewel in our community.
