Cabrillo's 'Hairspray' tops Broadway

I just saw a production of "Hairspray" at Cabrillo College. It was just incredible. I've seen it twice before, once on Broadway and in San Francisco, and this was by far the best. It is so important for our community to support the local theater. Their support is based on attendance. Take your friends, family, whomever. Please don't make this incredible entertainment leave because of money. It is a treasure.
