Cabrillo adds preschool programs

The Cabrillo College Children's Center will offer two new preschool programs for fall 2011. The new programs include a morning preschool program from 8:30 a.m. to noon, and an afternoon preschool program from 1-4:30 p.m. The programs will operate during the fall and spring semesters and will follow the college semester schedule. Both new programs will operate five days per week.

The Cabrillo College Children's Center will also host an open house 10:30-11:30 a.m. Saturday. All community members are welcome to attend. During the event, children and families may tour the facility and experience preschool activities and Children's Center staff will be present to answer questions. Applications will be available and preschool slots are currently open to children of students, faculty and community members. Financial assistance is provided for income eligible families. The Children's Center is in the 1500 Building on the Aptos campus at 6500 Soquel Drive. For more information, call the Children's Center Director Jim Marshall at 479-6117.
