Cabrillo College will host its annual College and Career Night on Nov. 7 from 6-8 p.m.

Students and parents are invited to meet in Building 1100 with representatives from more than 60 public, private and out-of-state colleges and universities to get a head start on their college planning.

Four-year college and university representatives will be in the

gymnasium to answer questions about their institutions. Cabrillo College instructors and career counselors will speak to students and parents about career paths in the Robert E. Swenson Library, and financial advisers will present workshops upstairs on how to apply for financial aid.

The event and parking in all the student lots will be free. For more information in English, call 477-5650; in Spanish, call 479-6525.
