Nearly 4,000 attend Cabrillo’s College and Careers Night

Students, parents look for information to help with future decisions

APRIL — High school students, many encouraged by parents, streamed into the Cabrillo College gym Monday night hoping for information about college and careers.

Jennifer Huculiak, a Cabrillo Transfer and Career Center coordinator, attended the event to talk about transitions from high school to college and different career options.

Laurie Rusk, dean of Cabrillo’s Business, Career and Technical Education Division, also attended the event to talk about the role of Fort Ord.

Nearly 4,000 students from the San Luis Obispo and northwestern Santa Barbara County region attended the event. The Cabrillo College Foundation and the Career Center of the Santa Barbara County Education Office also sponsored the event.

PEP is a federal program funded by the U.S. Department of Labor to provide training and employment services to low-income individuals.

Cabrillo College Board presents plan for new districts

Watsonville, Santa Cruz districts grow faster than others

APRIL — With the 2010 census showing a greater population growth in Santa Cruz and Watsonville than in other parts of the county, the Cabrillo College Board of Trustees has put forth a recommendation of some district changes.

“The board recommended a new district for Watsonville because it’s growing so fast,” said Katheen Spence, associate director of student services at Cabrillo College.

The board also recommended a new district for Santa Cruz and Watsonville because it’s growing so fast.”

“We can’t delegate to the state the responsibility of administering these programs for us,” said Incalma.

Incalma also said the board is considering the possibility of changing the name of the college to Cabrillo University.
