Cabrillo hosts tribute to late ceramics instructor

The Cabrillo Horticulture Center will host a video tribute and open mic from 2-4 p.m. Sunday to remember late ceramics instructor and artist Kathryn McBride.

McBride, who died in late February, was head of the Cabrillo ceramics department and taught for more than 20 years in the Bay Area. Her work is on display in museums and private collections throughout the country and in several books.

The Cabrillo Foundation has established The Kathryn McBride Cabrillo College Ceramics Program Fund, which supports Cabrillo’s ceramics instructional program, and The Kathryn McBride Scholarship Fund, which funds art scholarships for Cabrillo students.

Donations to the funds can be made to the Cabrillo College Foundation. Indicate which fund you are donating to by writing either “McBride Scholarship Fund” or “McBride Ceramics Program Fund” on the memo line of the check and mail it to Cabrillo College Foundation, 6500 Soquel Drive, Aptos, CA 95003.

Cabrillo College is at 6500 Soquel Drive. For information, call 479-5744.
