Cabrillo hosts grand opening celebration Friday

Cabrillo College will hold a grand opening celebration for the Solari Green Technology Center in Watsonville 10 a.m. to noon Friday.
The center is at 318 Union St.
The event will include tours and demonstrations at the 14,000-square-foot center. Construction of the $5.5 million facility began in late 2010, and the first students walked through its doors this semester.
