Four incumbents appointed to Cabrillo board

Lacking any opposition, four incumbents were appointed in August to four-year terms on the Cabrillo Community College District Board of Trustees.

Susan True was appointed to District Area 3, which covers Live Oak, Capitola and Soquel. Rachael Spencer will serve District Area 4, which covers part of Bonny Doon, Davenport and North County.

Margarita Cortez will serve District Area 5, which covers Watsonville and the surrounding area. Ed Banks will serve District Area 7, which covers parts of Watsonville, unincorporated areas of the city, and a southern portion of San Benito County.

This semester, 13,055 part- and full-time students are enrolled, down more than 1,500 from last year’s projection. This year’s budget has a $4.6 million deficit that will partly be plugged by dipping into reserves.
