‘ESCAPING QUEENS’

The 2012 Cabrillo Stage summer season will always be remembered for the debut of ‘Escaping Queens,’ the spirited growing-up musical written by Capitola’s own beloved baker/composer Joe Ortiz. This summer, Cabrillo Stage returns to Ortiz’s musical about family life in the shadow of the Queensboro Bridge. On the heels of ‘La Cage Aux Folles,’ now playing at Cabrillo Stage, ‘Escaping Queens’ and ‘Oklahoma!’ open next week, round out the summer season. For all the details, go to www.cabrillostage.com.
