The Cardinal College softball team won for the 17th time in a row this season Monday night at Kavos Field, toppling the Monterey Peninsula College Owls 7-3.

"It's been a long time coming," said Scotts Valley head coach Jon Howard. "This one was especially sweet for a few reasons. We were out playing our best and it felt like we were playing from behind.

"The hitters really came through and we were able to use our defense to put things away. Overall, it was a good game and a big win for us.

"We're looking to keep this momentum going into the SCCAL (South Coast Conference Athletic League) playoffs and beyond. We're excited to see what we can achieve in the upcoming months."

The Owls (16-23, 5-4) made an early statement with a run in the top of the first inning, but the Cardinals (26-22, 9-1) responded with a three-run first inning of their own, highlighted by a two-run home run from Amanda Ang and a single from Vicki Rodriguez.

"Our offense was really clicking in the first inning," said Scotts Valley coach Howard. "We put together some nice at-bats and were able to take advantage of some errors on the part of the Owls.

"Our defense was strong throughout the game, and our pitching was spotless. Overall, it was a well-rounded performance and we're looking to keep it going."
