Students who participated in previous Cabrillo College’s Youth Entrepreneur Program camps pose for the camera. The program is enrolling for the 2013 summer session. The program teaches youths about starting their own business and making that business their career.

Entrepreneur program offered to students

Young people in seventh-grade through 12th-grade are invited to spend four weeks in July and August learning to be business tycoons.

The annual Cabrillo Youth Summer Institutes in Entrepreneurship kicks off this summer. The Youth Entrepreneurship Program and the Business and Entrepreneurship Center at Cabrillo College are co-sponsoring the camp with Santa Cruz County College Commitment.

Youths can enroll in the The Explore Social Entrepreneurship Institute, which teaches about starting a business. This camp is 8:30 a.m. to 12:30 p.m. July 15-19 for ninth- through 12th-graders and Aug. 5-9 for seventh-and eighth-graders.

The other camp, The Explore Entrepreneurship Institute, introduces students to the concept of entrepreneurship as a career choice. This camp is 8:30 a.m. to 12:30 p.m. July 22-26 for seventh- and eighth-graders and Aug. 12-16 for ninth-through 12th-graders.
