Cabrillo hosts community forums on repeatability

Cabrillo College will host community forums on its expanded community education center 5-6 p.m. Tuesday at Sampler Recital Hall, 6500 Soquel Drive in Aptos and 5-6 p.m. Dec. 11 at Cabrillo College Watsonville Center, Room D101, 318 Union St. in Watsonville.

The community education center’s expansion is in response to state legislation that limits the number of times students can repeat classes.

Attendees will be able to provide input on programs they’d like to see.

For information, call 831-479-5744.
