Student work shown in Cabrillo exhibit

APARTOS — The Cabrillo Gallery presents its eighth annual Student Exhibition of more than 150 works of art representing each discipline taught through the Cabrillo College Art Department.

The exhibit, which opens Monday, runs through May 16. A reception will be held Saturday from 4-6 p.m.

The exhibit features artwork completed by Cabrillo College Art Department students during the spring semester. A sampling of work includes paintings, watercolors, mixed media collage, drawings, serigraphs, intaglio, ceramics, sculptures, small-scale metal/jewelry, fiber art, traditional and digital photography, and video.

The artwork is selected by students and faculty and includes up to three works from each studio class.

The exhibition is designed and installed by Cabrillo College student volunteers. The installation job includes the tasks of selecting wall colors, pedestal placement, signage, lighting and the organization of the works of art.

The gallery is located in the Library building, room no. 1002, in center of the uphill side of the campus on 6500 Soquel Drive. For information, visit www.cabrillo.edu/services/artgallery.
