Cabrillo College will cooperate with local health officers in measures necessary for the prevention and control of communicable diseases in students.

Cabrillo College will comply with any immunization program required by State Department of Health Services regulations.

Student Health Services professional staff maintains a liaison with the Santa Cruz County Public Health department when communicable disease issues involve the campus.

Student Health Services professionals will report communicable disease control information and procedures to appropriate district departments. Students who are ill may be restricted from classroom attendance and college activities as appropriate for the control of communicable disease.
