FACT SHEET 2013

- Cabrillo enrollment showed declines since 2008 but is expected to stay flat in near future (Fig. 1).
- The percent of new students placing into transfer level coursework has remained fairly steady and is highest for reading and lowest for math with a recent slight increase for math (Fig. 2).
- The percent of students attending full time has been increasing but declined in fall 2013 (Fig. 3).
- Cabrillo student diversity has been increasing, which is projected to continue (Fig. 4, on back).
- Overall completion rates have been fairly steady (Fig. 5, on back).
