JOIN US IN BRINGING AWARENESS AND HEALING

SPEAKING OUT: Cabrillo Students Share Stories of Healing On Display April & May See Their Pictures and Stories of Hope

Powerful photo essays portraying the healing journeys of Cabrillo students who are survivors of sexual and physical abuse. By sharing their emotional, spiritual and sometimes physical journey, these strong and courageous women empower others to move forward from violence to healing, breaking the silence and **SPEAKING OUT.**

Women in Shadow and Light; Journeys from Abuse to Healing.

Exhibit locations: Aptos & Watsonville Center

Special Event: Wed. April 24th, Aptos & Watsonville 10:00 am-2:00 pm Denim Day

Denim Day is an international campaign protesting a 1998 Italian Supreme Court decision to overturn a rape conviction because the victim was wearing jeans. The unpopular verdict became an international symbol of myth-based injustice for sexual assault victims.

Wear denim on Wed April 24th to show your support!

The Clothesline Project

The Clothesline Project is a visual display that bears witness to the violence that occurs in our communities. T-shirts will be decorated to represent a particular person's experience, by both survivors of violence or someone who cares

Chalk it up

We will also sponsor a sidewalk chalk drawing event in an effort to raise community awareness about sexual abuse, and offer support resources. The theme will focus on the elements of healthy relationships
